

# AMULET Liaison Office

Application Form

The Advanced Materials & manufacturing United for LightwEight (AMULET) is a project funded by INNOSUP-1 programme (HORIZON 2020). that aims to consolidate novel value chains for multisectoral industrial applications enabled by advanced materials and their related manufacturing technologies as Key Enabling Technologies (KETs), ultimately contributing to decarbonisation, and resource efficiency through light weighting and cost reduction.

This document is linked to the [Terms of Reference](#), which details the objectives pursued in establishing a network of "AMULET Liaison Office".

## 1. Confirmation of Participation

We confirm that we would like to be a member Liaison Office of the AMULET project

Yes  No

Contact person (name, position):

---

Contact email:

---
